ELECTION QUIET ON BIG ISLAND

(Special Star-Bulletin Correspondence.)
HILO, June 15.—Election day passed off quietly. The voters took things much for granted and showed no excitement until the returns began to come in. At noon there were only 280 votes cast at the Hilo polling booth in the district court room.

Runners were to be seen all over the town and they became more active as the day wore on. Rumors to the effect that Ewaliko was going strong went the rounds. The Republican trio, Cabrinhia, Lyman and Todd, expressed themselves as feeling satisfied with the way things were going.

That an attempt had been made to influence the voters against the old ward of supervisors was indicated by remarks made by some who insisted that the cutting out of the special appropriation for the police department was done in order to handicap the work of the regular guards who have been on duty at certain points for some time past. This story was punctuated when the officer in charge of the guards declared that the reason the men were withdrawn from one or two places was because there did not seem to be any need for such a guard.

The result of the election was as follows: First representative district, Supervisor at large, David K. Ewaliko 782; Samuel Kaubane, 993.

Supervisors, A. M. Cabrinhia, 1053; Eugene G. Lyman, 1092; C. J. Moore, 518; Benjamin Rose, 708; William A. Todd, 1003.

Second Representative district, supervisor at large, David K. Ewaliko, 514; Samuel Kaubane, 802; supervisors, A. Akina, 648; James Aki, 713; W. Apela, 33; W. M. Kalaiwa, 406; R. K. Naipo, 465; J. R. Yates, 840.

Kaubane, Cabrinhia, Lyman, Todd, Akina, Aki, and Yates were elected.

KAHUMANU SOCIETY NAMES KAUAI DELEGATES

The Kaahumanu society met last week in the Kawaiahaeo gymnasium and elected a delegation of its officers to work with the Hilo delegation to organize a branch of the order on Kauai. Reports showed the society in the best condition with 33 new members admitted last year.

Officers elected as follows: Miss Lucy K. Peabody, president; Mrs. Lizzie Uluahale, vice-president; Mrs. Lahilahi Webb, secretary; Mrs. Lilia K. Aholo, assistant secretary; Mrs. Ihilani Teohera, treasurer; Mrs. Ellen H. Dwight, auditor; Mrs. Lilia K. Aholo, chairman, visiting committee. The members of the executive board are as follows: Mrs. Irene Holloway, Mrs. Maria Smith, Mrs. Louisa Ahrens, Mrs. Caroline Robinson, Mrs. Aloke Colburn, Mrs. Julia Lotu, Mrs. Lokalia Holt, Mrs. Aha Ayau, Mrs. Helen Kamaopili, Mrs. Alokaiki Aki and Mrs. Kamaio Kalana.

The delegation to Kauai is composed of Miss Lucy K. Peabody, president; Mrs. Ellen H. Dwight; Mrs. J. A. Akana, president of the Hilo society; and Mrs. Stephen Deane of Hilo. The Kauai branch was to be organized in Lihue, Kapaa and Waimea.

(Associated Press by U. S. Naval Communication Service.)

Everywhere they were met with a display of friendship and confidence and all possible information was given to them in securing a full and early understanding of the present political situation of the country, its plans and its hopes. The envoys are planning to independently visit the various bases on the eastern front and to thus obtain at first hand information on the sentiments of officers and men.

ZEPP DESTROYED IN RAID ON ENGLISH COAST

(Associated Press by U. S. Naval Communication Service.)
LONDON, Eng., June 18.—Two killed and 16 injured are the totals of the last aerial raid by Zeppelins, which was launched last Saturday night over the coast of Kent and one of the eastern counties.

Two Zeppelins took part in the raid and one of them paid the penalty for the murders committed by its fellow night hawk, and was downed by a pilot of the Royal Flying Corps after a sensational air battle high above the clouds over the waters of the British Channel.

The British people are becoming weary of these raiders, which for a long time they regarded as more or less of a joke, and a huge mass meeting was called last night at which a resolution drawn up by the Lord Mayor of London, was adopted. This calls upon the government to begin and maintain a continual series of raids upon German cities in retaliation for the German raids upon England.

BAKER INDORSES PLANS FOR AERIAL SERVICE

WASHINGTON, D. C., June 18.—Indorsement and approval of the plans of the national defense council's program to secure control of the air for the Allies will be given by the war department, it has been determined, and President Wilson will be asked to lend it his support.

The proposed program for the aerial campaign contemplates an expenditure of \$600,000,000, to be largely spent in the construction in this country of air craft. It purposes that a number of battle planes shall be built and a still larger number of practice or training craft which can be turned out rapidly here.

ENTENTE GAINING ON MACEDONIA FRONT

(Associated Press by U. S. Naval Communication Service.)
NEW YORK, N. Y., June 18.—In Macedonia the artillery of both battling armies has suddenly increased the violence of its cannonading along that whole front, and the French cavalry also is reported as having been exceptionally active of late. The entente infantry also is said to be making preparations to enter strategically important positions in Thessalia and are consolidating their positions as they go.

French dragoons, which have been operating on this front for some time, are again reported very active, and last night it was announced that detachments of these mounted troops are in the vicinity of Pharsalia and might be expected to enter that place shortly. They have also entered Domokos to the south of Larissa, and have taken firm possession of the surrounding country.

WILSON HURRIES PLANS FOR FOOD CONTROL

WASHINGTON, D. C., June 18.—Food legislation is to be the first order of business in Congress this week. At today's session both houses will take up consideration of the administration's bills.

While the administration continues to urge all possible expedition upon the leaders of both house and senate and while labor organizations are urging upon their congressional representatives the passage of necessary food legislation, it is deemed unlikely by the leaders of both houses that debate can be ended and a vote taken in less than three or four weeks.

SIX CHINESE PROVINCES FAVOR ENTRY INTO WAR

NEW YORK, N. Y., June 17.—Extensive military operations in the six provinces of South China are being shadowed in a cablegram from Canton received yesterday by the Chinese National league of this day. The league claims to represent the six southern provinces and declares that they favor the entry of China into the world war on the side of the Entente.

NAME DICTATOR

PEKING, China, June 18.—General Chang Hsun, who won fame in the earlier revolutionary troubles of China and who is very popular with the military element, is now dictator in south China. He was named by the insurgents who have called a meeting at Tientsin for the purpose of forming a provisional government with the dictator at the head. These were the chief developments of the day in the political situation.

MAUI CONVICTS HAVE A JOY-RIDE

(Special Star-Bulletin Correspondence.)
WAILUKU, June 15.—August Kekoa and Manuel Gouveia, two convicts in the road gang in Kula, wearying of the monotony of their camp, started out for a walk last Wednesday evening, and then decided to turn it into a joy ride. They accordingly entered the garage at Joaquin Garcia's Kula place and took possession of Garcia's big six-cylinder Pierce Arrow—and the fat was in the fire.

When they were finally missed at the jail an alarm was sent out, and policemen all over the island were soon on watch. They went down through Paia, but several policemen who tried to stop them failed. Joe Souza, the Paia officer, got a car and gave chase. The joy-riders finding they were followed, stepped on the accelerator and burned up the road out Pauwela way until they tried to volplane Wailuku south. That ended the race. When Souza and his party came up they found a badly wrecked car and after a little search the two runaways hiding in the bushes. That they were taking a joy ride was all the explanation they would offer.

Kekoa is said to be serving time for auto stealing in Honolulu. Gouveia is also a Honolulu prisoner.

RIVENBURGH IN CAPITAL, REPORT

Rumors were heard on the street today that Bertram G. Rivenburgh, commissioner of public lands, who left here some weeks ago with the professed intention of taking a vacation rest on the mainland, has reached Washington.

With the discussion of these rumors, speculation was rife as to the probable intent of Rivenburgh's visit to the capital, and the wisecracks connected it up with the fact that Treasurer McCarthy is probably in Washington and that Attorney General Stainback has gone to a class reunion at Princeton University, where he was a student under Woodrow Wilson.

Rivenburgh's wide acquaintance in Washington political circles always gives rise to plenty of guessing when his name is mentioned in connection with a visit to the capital. Close friends of his today stated that they did not believe there is any likelihood he is seeking the governorship. Rather the belief was expressed that he is acting as ambassador for the governor for carrying through some policy which the territorial executive may wish pushed through at Washington.

TWO FINED FOR RAIL GAMBLING

Gambling has broken out again on the Oahu railway early morning passenger trains and complaints of the practise to the police by railway officials resulted in three arrests by Policeman C. A. Willis of Puuloa Friday. Two, D. Keohohou and Victor Hose, both Hawaiians, were fined \$10 each in the police court Saturday when they pleaded guilty to shooting "craps." A third, who was booked as Charlie, failed to appear and forfeited a \$10 bond. Judge Harry Irwin remarked when the prosecution regretted Charlie's absence that there was no reason why he should not be brought to court.

Some months ago the Star-Bulletin exposed a startling situation on the Oahu labor trains of a big game running every morning in practically every coach. Following this exposure the railway company and police who said ordinary means had been ineffectual took more drastic action and gambling was absolutely stopped for a time. Railway officials declare they will not countenance its return.
